

Create your own Gratitude Chain!

1

Cut strips of colored paper and encourage your kids to write things they are grateful for at school, home, and the world!

2

Build your chain and hang it up with pride.

3

Share! Post your gratitude chain pictures with the hashtag [#GivingGratitude](#) and tag [@ClassDojo](#).

Then share your chain on Class Story and School Story (families can even come up with their own at home to add to your chain).

4

Display your chain schoolwide and encourage all classrooms to take part in building your gratitude chain!
